Home School Agreement

At Hady Primary School we continue to build a strong partnership between staff, parents and carers as we know this is important in helping children to achieve and to enjoy learning. We are determined to create an inclusive culture of learning where all children will be challenged in their thinking, to achieve to the best of their abilities and strive to become lifelong learners.

We will empower our children to become respected citizens to enable them to make valuable contributions locally, globally and to contribute to our world’s sustainable future.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our Home School Agreement

School Vision

- All pupils will achieve expected levels of progress and aspire for pupils making more than expected progress in line with national data
- All teaching to be good or better leading to outstanding learning and progress
- Work collaboratively with the cluster for monitoring pupil progress and achievement, using comparison between the schools to ensure best practice is identified and shared
- Staff led by a Local Leader of Education form a professional community across the cluster of schools, learning from and with each other to continually improve their practice
- Serving the community – we accept all children from the communities we serve, regardless of background and prior attainment, and work to secure excellent links with parents/carers and the community
- School environments where children feel safe and exhibit good behaviour, which supports good learning and leads to positive relationships between children and between children and adults
- Use of a creative curriculum and enrichment activities to inspire a love of learning and the development of children as confident and well-rounded individuals
